

Our office accepts Visa®, MasterCard®, American Express® or Discover Card®

Special financing options with convenient monthly payments available with the CareCredit healthcare credit card.

- Allows you to pay over time**
- No annual fee**

For patients without any insurance or our Smile Club program, we offer a 5% courtesy accounting adjustment if you pay by cash or check for your treatment in full prior to appointment.

Treatment plans of \$500 or more, or appointments 2 hours or longer require payment in full to secure appointment time.

For patients with dental insurance, we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement.

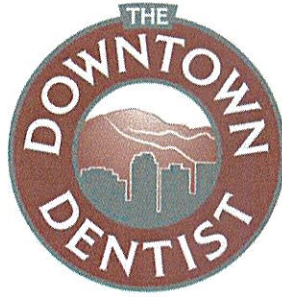

A fee of \$42 is charged for patients who miss or cancel without 48-hour notice. For appointments 2 hours or longer, the fee will be \$84.

If you have any questions, please do not hesitate to ask.

We are here to help you get the dentistry you want or need.

Patient Commitment

Our practice is proud of the dentistry that we provide for you and your family. Our goal is not just to correct any dental problems you may have, but also to show you how to prevent dental disease in the future and to save you time and unnecessary expense.

The long-term success of the treatment we provide depends on how you take care of your teeth and gums at home and keeping all recommended professional cleanings and examinations within the recommended timeframes and completing all recommended treatment (including wearing night guards if appropriate). Recall visits may be every 3, 4 or 6 months depending on your oral health. Our commitment to excel in our profession is further evident by our unique approach to stand behind our treatment to you.

Composite (Tooth Colored) Fillings:

If a composite filling is the recommended treatment, we will replace or repair it in the event of a failure for a period of 1 year (12 months). If the restoration itself breaks or fractures within 12 months and requires a crown, we will credit the initial cost of the filling toward the crown/build up. You must keep up with all prescribed recall appointments and x-rays to allow us to properly monitor and maintain the restorations. Failure to keep prescribed appointments and treatments (including but not limited to wearing recommended night guards) by our office will void this commitment entirely.

Crowns, Bridges and Porcelain Veneers:

We will replace these laboratory made restorations on a prorated schedule for 5 years. If the restoration breaks or loosens with normal use, we will replace or repair them according to the following schedule:

- 1st year-no out of pocket cost for the patient
- 2nd year- patient will receive 80% off of total replacement crown fee
- 3rd year- patient will receive 60% off of total replacement crown fee
- 4th year- patient will receive 40% off of total replacement crown fee
- 5th year- patient will receive 20% off of total replacement crown fee

You must keep up with all prescribed recall appointments and x-rays to allow us to properly monitor and maintain the restorations. Failure to keep prescribed appointments and treatments (including but not limited to wearing recommended night guards) by our office will void this commitment entirely.
